BE KNOWN

A QUICK SHOW OF HANDS

How are you using AI in your business?

A. Marketing & content

Drafting posts, emails, ad copy, and other content

B. Customer service

Chatbots or AI handling routine customer questions

C. Admin & operations

Scheduling, data entry, research, and internal tasks

D. Not using it yet

Haven't started — curious what others are doing

Raise your hand when I call your letter

WHY IT'S CATCHING ON

The Big Payoff: Time Back in Your Week

AI bots take routine, repetitive work off your plate — so you and your team spend more time on the work that actually grows the business.

HOURS BACK
**every
week**

The most common benefit business owners report first: getting real time back — for clients, strategy, and growth.

Faster first drafts

Emails, proposals, and content go from blank page to first draft in minutes.

Automated scheduling & follow-ups

Meetings booked, reminders sent, and no lead falls through the cracks.

Instant summaries

Long documents, calls, and meeting notes distilled into the key takeaways.

Always-on support

Routine customer questions get answered around the clock, not just 9-to-5.

Our Little Flower parish is a growing, vibrant, welcoming, community of faith serving the Berkeley Heights community and neighboring towns.

For several years, our parish has not had a Priest Residence on our parish grounds.

Our Pastors and Parochial Vicars have had to live off-site in various towns and neighboring parishes.

It is important that the priests of Little Flower live closer to our physical parish and community to optimally serve in their pastoral and ministerial roles, as well as integrate into our Berkeley Heights community life.

Our goal is to purchase a local property and to establish it as the Priest Residence for the current and future clergy of Little Flower Parish.

A local Priest Residence also is necessary for the long-term vitality of our parish in accordance with Canon Law.

The proceeds of our Golf Outing will support the purchase of this residence for our priests.

We invite you to be part of this exciting effort!

Every gift, large or small, brings us closer to making this vision a reality.

Together, we can provide a lasting gift, owned by our parish, that will serve generations to come.

HELP BUILD BERKELEY HEIGHTS' NEW BOCCIE COURT

My name is **Jimmy Barter**, from BSA Troop 68. For my Eagle Scout project, I'm building a bocce ball court at **Peppertown Park** for the Berkeley Heights community. Help support me in bringing this project to life!

WHY THIS PROJECT MATTERS:

- Creates an enjoyable space for people of all ages to gather and play.
- Fosters a sense of community through shared activity.
- Honors Berkeley Heights' long-standing bocce tradition.

Scan to Donate

WAYS TO HELP:

- **Contribute financially**
- **Local businesses can sponsor a plaque at the court:**
 - Local businesses can sponsor a plaque with a message of their choice.
 - Contact me for more information on how to become a sponsor.
- **Spread the word to others**

You can contact me at jamesbarter07@icloud.com

Thanks to our season sponsors
