BE KNOWN

BHBC
Berkeley Heights
Business & Civic

Four Conversations

Find a different person for each one. Learn something you can share.

1

The Origin Story

"How did you get started?"

Find out what led them to their business or their role.

2

The Big Goal

"What are you working on right now?"

Learn one goal or challenge on their plate this year.

3

Common Ground

"What do we have in common?"

A hometown, a hobby, a favorite local spot. Anything outside of work.

4

The Perfect Referral

"Who's your ideal customer?"

Learn what kind of introduction would help them most.

Finished all four? Take a seat.

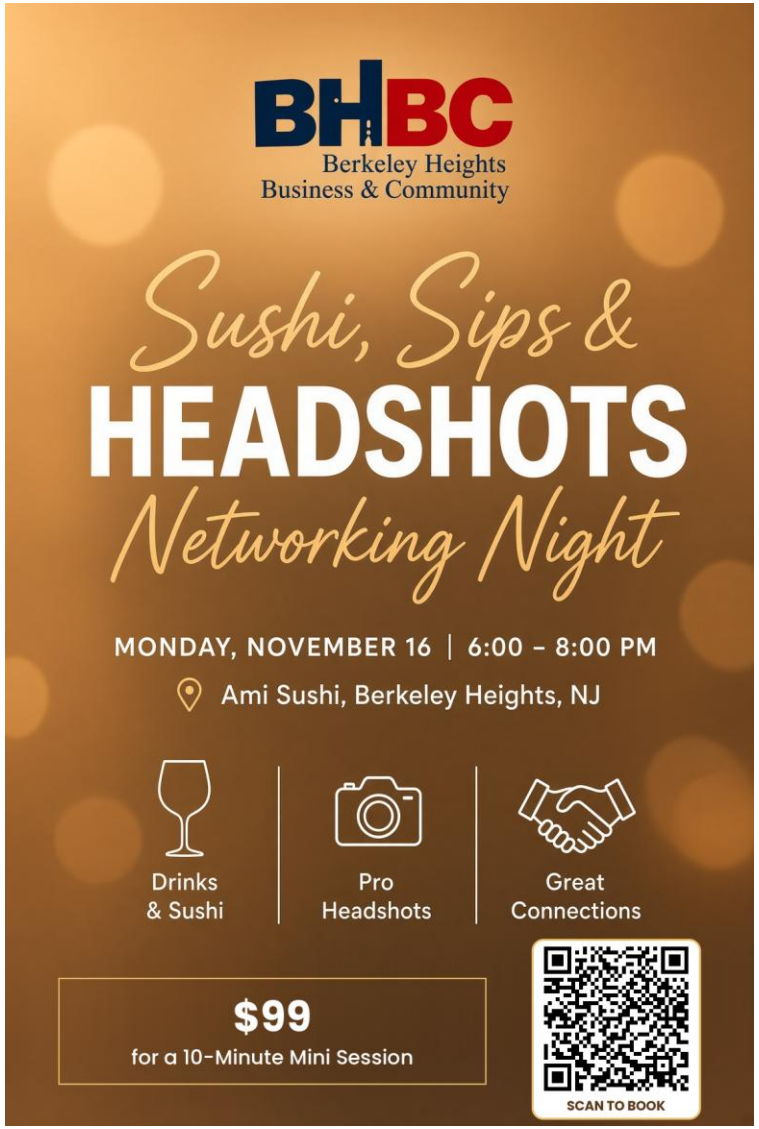

BHBC
Berkeley Heights
Business & Civic

Introduce someone you met

1. Their name and their business
2. One thing you learned about them
3. How someone in this room could help them

Keep it to about **30 seconds** per introduction.

THE NEXT CHAPTER:
Adult Caregiving

Tuesday, November 24 | 6:30pm | Highlander Room
No registration; snacks provided.

Caring for an aging parent is a role filled with love, but it also comes with a unique set of challenges. As anyone in the sandwich generation will tell you, it's never too early to start planning for these life changes -- we encourage anyone in their upper 20s and beyond to attend!

This month, Laurie Hauptman, Esq. of Hauptman & Hauptman, P.C., will be presenting on the following topics:

- What families need to know when executing wills, trusts, powers of attorney, and health care directives.
- Who has the legal authority to make decisions and the importance of choosing the right agent(s).
- Why it is important to put a plan into place and have documents ready.
- General overview of the Medicaid application process.

There will also be time for Laurie to answer questions from attendees.
